	Creditor, Marshall Lieberman declares	the following under penalty of perjury:
19	1. The District Court of Clark County.	, Nevada, entered an Amended Judgment in my favor
20	on June 27, 2013.

26	3. The Judgment balance entered by the	ne State Court on June 27 <sup>th</sup> , 2013, totaled
27	\$689,425.37, with statutory interest	
28		•

- 4. The specific purpose of the recordation of the Judgment and related Affidavit was for the purposes of creating a lien upon the identified real property of the judgment debtor pursuant to Nevada state.
- 5. Michael J. Moore's Chapter 7 bankruptcy was filed in 2013. (Case No.: 13-20315-ABL). Declarant filed its Adversary Complaint, (Adv. Proc. No.: 14-01046-ABL) seeking to exempt my claims and the Judgment from discharge.
- 6. Ultimately that Adversary Complaint was settled and documented by a Confession of Judgment in the amount of \$200,000 but afforded the debtor an opportunity to pay a reduced sum, if payments pursuant to the scheduled payment plan were made on a timely basis. The Confession was secured by a Short Form Deed of Trust, which documents were duly recorded with the Clark County Recorder's office, effecting a consensual lien on the residential real property. (Exhibit 2 attached hereto).
- 7. At the time of the Confession and related negotiations, it was anticipated that Las Vegas real estate values, seriously depressed in 2008, would rebound over time, and that value would secure the twelve-year (12 year) payout contemplated by the Confession of Judgment. It was anticipated and designed that such anticipated real estate value would afford increasing security and motivation for the Defendant/Debtor to adhere to the payment plan over the course of 12 years, or otherwise subject his home to execution sale, allowing Declarant to benefit by the increased value. (Exhibit 3)
- 8. Declarant was willing to discount its State Court Judgment balance of almost \$700k to a reduced amount, only under circumstances of actual payment, and security in an asset which was specifically anticipated to increase over time.
- 9. Declarant knew that the Deed of Trust, executed in 2015, was subordinate to a first and second bank lien, and a third lien in favor of Cathy Bohnet, and likely had no residual value if the higher status liens would foreclose, at that time.

- 10. Declarant however, as part of its bargained for adversary settlement valuation, insisted upon such Deed of Trust, *in anticipation of an increased value* of Debtor's real property over the course of the Defendant's payment plan.
- 11. Based upon the sworn statements of Michael J. Moore, in two bankruptcy filings, and other documents, it appears that the secured Judgment lien of Cathy Bohnet, valued over \$110,000, in 2015, was paid down to \$11,000. As of the date of Debtor's Chapter 13 filing in January 2017.
- 12. Inexplicably, Debtor has paid down the junior lien claim of Cathy Bohnet, by at least \$100,000.00 between 2015 and 2017, while allowing the first deed of trust to fall into and stay in substantial arrears.
- 13. Based upon the sworn bankruptcy schedules of Debtor, there is no visible nor identified source of funds from which Debtor could draw from, in order to pay down the junior lien of Cathy Bohnet.
- 14. Although speculation, it is believed that payments from Debtor Michael J. Moore to Cathy Bohnet, were motivated by Cathy Bohnet's inside information of Moore's fraudulent Ponzi scheme, of which Declarant was victim.
- 15. Debtor Moore has seemingly deliberately allowed his home to fall into a state of disrepair and allow the spoliation of the security to Creditors senior to the Bohnet lien. Exhibit 4 is the Appraisal conducted at Debtor's request, in August of 2018, which identifies some \$34,000.00 in deferred maintenance, including \$7000.00 to replace an alleged nonfunctioning air-conditioning unit).
- 16. During the pendency of Declarant's Chapter 7 Adversary action, and during negotiations as part of related settlement conferences, Declarant sought payment, in part, from Debtor's anticipated divorce property settlement including his share of his spouse's 401k plan which was to be paid over to Debtor.

- 17. Debtor, in connection with the settlement negotiations which concluded with the Confession of Judgment, specifically represented that his portion of the 401k plan was to be utilized to pay the first mortgage on the residential real property. At the time of the Chapter 7, the 401k amount was identified as \$65,000.00. In January 2017, no disclosure of any such funds were identified, nor was their use or disposition disclosed. Equally troubling was the increasing indebtedness to the first mortgage lien, clearly indicating that Debtor intentionally misrepresented the actual use of the 401k funds.
- 18. Declarant sets forth these factual assertions for the purposes of this Court's consideration of the equities of the circumstances and the absence of Debtor's clean hands.
- 19. Declarant relied upon and anticipated the increase in real estate values in Las Vegas over the payment plan set out in the Confession of Judgment executed by Moore.
- 20. Declarant did not anticipate that Moore would fail to use his liquid funds available in 2015 to bring current his mortgage debt as specifically represented, nor that Debtor had funds enough to liquidate \$100,000 in debt to Cathy Bohnet, or that Debtor would fail to maintain the secured property.
- 21. Debtor Moore elected to spend jail time for contempt during the year 2013, rather than turn over complete financial records as ordered by the State Court judge. Debtor appears to have continued his course of misrepresentations in the context of the initial adversary proceeding in his Chapter 7, as to available funds, and their stated application.
- 22. Debtor's property has increased in value over the course of the pending two years of his Chapter 13, during which time, no viable plan has been proposed in good faith.
- 23. Debtor will seek to blame banking institutions for delay, but as shown in Exhibit 5, efforts by Ocwen Loan Servicing company in July or August of 2016, months prior to the Chapter 13 filing, to communicate with Debtor were ignored.

- 24. Debtor has not disclosed the terms of the Divorce Settlement Agreement, which is sealed.
- 25. Debtor's delay of almost two years, Declarant's reliance upon the increase in Debtor's real estate value at the time it entered into the Short Form Deed of Trust, and Confession of Judgment, Debtor's misrepresentations to Declarant, and mysterious sourcing of funds to pay Bohnet, the actual increase in Debtor's real property value, should equitably be construed in a manner so as not allow the circumstances to permit additional plundering by this Debtor.
- 26. Accordingly, Declarant requests that under the circumstances, the valuation of the residential real property, be determined and identified as of the Confirmation date, which date itself, has yet to be fully fixed.

Moore consents to the execution of the Deed of Trust, in favor of Marshall Lieberman, on the residential real property located at 57 Blue Canyon Gate, Henderson, Nevada, 89012-2498, being parcel # 178-22-510-018. This Confession of Judgment and Deed of Trust shall be recorded and enforced by any and all legal means, subject to the terms and conditions as set forth herein. (As a condition to the execution and recording of the DOT, Manolita Moore, Michael Moore's former spouse shall consent to the Deed of Trust since her name remains of record on title. Obtaining the consent of Manolita Moore shall be the responsibility of Marshall Lieberman, however, Michael J. Moore agrees to use commercially reasonable efforts to obtain her signature.).

Michael J. Moore states by verified oath herein, that it authorizes and confesses judgment pursuant to NRS 17.090, 17.100, and 17.100 in favor of Plaintiff Marshall Lieberman, inclusive of all attorney fees, court costs, and interest, unless otherwise provided for herein in the event of default in payments.

This Confession of Judgment shall survive Michael J. Moore's bankruptcy filings as it shall be deemed a non-dischargeable judgment debt pursuant to 11 U.S.C. § 523, not dischargeable in Michael J. Moore's Chapter 7 Bankruptcy Case No. 13-20315-ABL. This Confession of Judgment is the written memorialization of the terms and conditions put on record by the respective parties before this Court on February 17th, 2015, reflecting the negotiated settlement in the settlement conference before U.S. Bankruptcy Judge Herb A. Ross, designated Settlement Conference Judge in the above captioned Adversary case.

Michael J. Moore does confess judgment on the basis of having receiving funds provided by Marshall Lieberman, in an alleged amount of \$190,000.00 paid by deposits to certain bank accounts set up by Michael J. Moore, for the receipt of such sums, and for related damages and liabilities as set forth in Adversary proceeding. The parties further acknowledge that in settlement of the above captioned adversary proceeding, as well as the related Clark County District Court Case No. A-12-673492-C, wherein Judgment was entered in favor of Marshall Lieberman, Marshall Lieberman has agreed to accept this Confession of Judgment, secured by a

Deed of Trust upon the real property commonly identified as 57 Blue Canyon Court, Henderson, Nevada.

The Defendant does confess that the debt herein is justly due and that there are no substantive or procedural defenses to this Confession, and that it was executed under his own volition and not under any duress or coercion or anything other than free will, in an individual capacity.

The Defendant, does confess that he has had time to seek counsel of his own choosing to review this Confession of Judgment, and in fact has had such counsel since the inception of the adversary proceeding above captions, and has no defenses whether now known or unknown.

This Confession of Judgment in the amount of \$200,000.00, may be paid at the reduced sum of \$100,000.00, so long as payments are made strictly and timely in accordance with the following payment schedule:

YEAR ONE: (March 15th, 2015-January 15th, 2016)

- \$200.00 Payment per month for 10 months, commencing on the 15<sup>th</sup> Day of March, 2015.
- 2. \$3,000.00 Payment on the 15<sup>th</sup> day of the January, 2016)

TOTAL PAYMENTS YEAR ONE:

\$ 5,000.00

YEAR TWO: (February 15th, 2016-January 15th, 2017)

- 1. \$300.00 Payment per month for each of 12 consecutive months on the 15<sup>th</sup> day of each month.
- 2. \$3,400.00 Payment due on the 15<sup>th</sup> day of the 12<sup>th</sup> month.

TOTAL PAYMENTS YEAR TWO:

\$ 7,000.00

statutory rate shall commence from the default date, and accrue on the entire principal balance of \$200,000.00, less payments made to the date of default, and shall accrue on the declining principal balance from the default date until paid in full. Payments shall be applied first to accruing interest and then to reduce principal. Michael J. Moore shall be entitled to prepay the amounts due hereunder without penalty at any time.

The terms of this Confession of Judgment call for payment in the sum of \$200,000.00 with option of Michael J. Moore to pay the reduced sum of \$100,000.00 so long as payments are made on or before the due date as set forth above. In the event of any default, the opportunity to pay the reduced sum shall no longer be an option and the full Confession of Judgment amount shall accelerate and be immediately due and payable. Plaintiff, shall upon default, be entitled to such post judgment collection and enforcement remedies as may be available, including but not limited to the foreclosure of the Deed of Property executed to secure this Confession of Judgment. The election of any remedy by Plaintiff, shall not be a waiver of any other remedy. The election to pursue non-foreclosure remedies shall not act as a waiver or relinquishment of the right at any time after default, to seek foreclosure of its Deed of Trust. Plaintiff may seek an award of attorney fees and costs that may be incurred after default related to the enforcement of the Confession of Judgment terms, and payment.

Notice of Default shall be provided by the Plaintiff, or its representative, delivered personally by overnight delivery service or private courier service or sent by certified or registered mail, return receipt requested, first class postage prepaid, to Michael J. Moore, at the address of 57 Blue Canyon Court, Henderson, Nevada, 89012, unless otherwise designated in writing to Plaintiff. The failure of Michael J. Moore to provide a current address shall not be cause to excuse or delay Default, the acceleration of the amount confessed herein, or the inaction of any judgment enforcement remedies.

The parties each declare, under penalty of perjury, the foregoing to be true, correct, and confess judgment in the sums stated because said sums are justly due and correct.

Case 17-10449-gs Doc 88-1 AFRIELD 08/29/18 20:05:17 Page 7 of 9

 Client: Michael J. Moore
 File No.: 57 Blue Canyon

 Property Address: 57 Blue Canyon Court
 Case No.: 20180627001

 City: Henderson
 State: NV
 Zip: 89012

#### Intended Use

The intended use of this appraisal is to assist the client in making valuation decisions for bankruptcy litigation regarding the subject property. No other use is intended. The scope of this assignment is specific to the identified intended use.

#### Neighborhood Description

The subject neighborhood is mostly comprised of older (Post-1990) mostly 2 story, stucco on wood frame dwellings predominately between 2,500 and 3,500 square feet that are, for the most part, well maintained with effective ages somewhat less than actual ages. The average actual home age within the neighborhood is about 12 yrs. Most homes are of average to good quality materials and are nearing the end of their physical lives and many have been converted for an office use

The primary driver of this neighborhood's popularity is convenience to employers, shopping and schools. Numerous strip malls major supermarket chains, national pharmacy chains are all within a few miles. Elementary and middle schools are close and the high school is less than 5 miles away.

The subject area is dominated by sites that generally fall between 0.10 Acre and 0.25 Acre in size, and they are larger than many of the sites noted for surrounding tract home developments.

Overall, this is a newer community. The convenient location with easy access to employment linkages, proximity to the I-215 and to US-95, to community services and perceived good quality of the local school system should continue good market appeal for the foreseeable future. Common area parks, playgrounds and green areas were noted and considered.

The neighborhood is considered to be part of the Las Vegas community. A medium to low density was noted in the general area and a 75% build-out was noted.

#### **Neighborhood Market Conditions**

Mortgage financing is available at rates purchasers consider attractive. Seller financing is virtually nonexistent, although seller concessions of a few thousand dollars are not uncommon. MLS records indicate an average market time of about 30 days, which is considered a reasonable exposure time for the subject. Given the market data analyzed by the appraiser, there are no fiscal or economic trends expected to occur that would significantly impact the relatively poor market conditions that are being experienced within metropolitan Las Vegas and Henderson.

Values in the early part of 2017 were increasing due to a shortage of homes due to increasing demand. Short-sales and REO sales had fallen to less than 1% and they are no longer an important part of the market.

#### Highest and Best Use

Given the present zoning and effective demand, highest and best use is single family (low to medium density). The subject site has off-corner orientation but is in a cul-de-sac.

#### Site Comments

Concrete slabs (a open patio and a large covered front porch) were noted at the south, east and west sides of the subject building together with landscaped areas. The gated fence allows rear yard access and concrete block walls were dominant.

Statements regarding zoning compliance are intended only in the most general sense. Zoning and building ordinances vary significantly from one municipality to another and can be extremely detailed. The scope of this assignment does not include a comparison of every potentially significant characteristic of the subject property's site and improvements relative to zoning and building ordinances. Unless otherwise noted, standard utility and right-of-way easements are insignificant to value. However, a current locational or boundary survey, which was unavailable to the appraiser, may reveal encroachments, easements, zoning violations or other matters of interest that could warrant modification of the appraised value.

#### Improvements / Features

The subject has; a covered front porch, a covered rear patio, a balcony, walk-in closets, multiple sink bathrooms, a 3-car garage with auto door openers, central vacuum, a utility room with cabinets, an island kitchen, shutters on most windows, built-in BBQ and one of the rooms has no closet and thus was deemed a den (and not a bedroom).

#### Inspection / Repair Comment

The appraiser noted that the subject is owner-occupied and in fair to poor condition with an actual and effective age as reported. A number of deferred maintenance items are in need of repair including, but no limited to, the following: The laminate flooring and carpet flooring throughout the home were in fair to poor condition and require replacement, interior painting due to discoloration and water damange is needed and an AC replacement is needed per the owner. The cost-to-cure allof the deferred maintenance items identified is a follows: Flooring replacement (\$ 18,000), interior painting (\$ 4,000), Plumbing and leaks (\$ 4,000), AC Unit replacement (\$ 7,000), Site Clean-up (\$ 2,000). Thus the appraiser concluded a cost-to-cure estimate of \$ 34,000 on the retrospective date of value. It was assumed that the current repairs were also required as of the retrospective date. The appraiser used a \$ 30,000 adjustment for condition in the sales approach section of this report to off-set these items when comparable to the condition of the sales.

#### Assumption

The appraiser has assumed in this report, based on the representations of the owner, that the condition of the improvements on the date of the inspection were similar to those as of the retrospective appraisal date.

#### Scope of Work, Assumptions and Limiting Conditions

 $Scope \ of \ work \ is \ defined \ in \ the \ Uniform \ Standards \ of \ Professional \ Appraisal \ Practice \ as \ "the type \ and \ extent \ of \ research \ and \ analyses \ in \ analyse$ assignment." In short, scope of work is simply what the appraiser did and did not do during the course of the assignment. It includes, but is not limited to: the extent to which the property is identified and inspected, the type and extent of data researched, the type and extent of analyses applied to arrive at opinions or conclusions.

The scope of this appraisal and ensuing discussion in this report are specific to the needs of the client, other identified intended users and to the intended use of the report. This report was prepared for the sole and exclusive use of the client and other identified intended users for the identified intended use and its use by any other parties is prohibited. The appraiser is not responsible for unauthorized use of the report.

The appraiser's certification appearing in this appraisal report is subject to the following conditions and to such other specific conditions as are set forth by the appraiser in the report. All extraordinary assumptions and hypothetical conditions are stated in the report and might have affected the assignment results.

- 1. The appraiser assumes no responsibility for matters of a legal nature affecting the property appraised or title thereto, nor does the appraiser render any opinion as to the title, which is assumed to be good and marketable. The property is appraised as though under responsible ownership.
- 2. Any sketch in this report may show approximate dimensions and is included only to assist the reader in visualizing the property. The appraiser has made no survey of the property.
- 3. The appraiser is not required to give testimony or appear in court because of having made the appraisal with reference to the property in question, unless arrangements have been previously made thereto.
- 4. Neither all, nor any part of the content of this report, copy or other media thereof (including conclusions as to the property value, the identity of the appraiser, professional designations, or the firm with which the appraiser is connected), shall be used for any purposes by anyone but the client and other intended users as identified in this report, nor shall it be conveyed by anyone to the public through advertising, public relations, news, sales, or other media, without the written consent of the appraiser.
- 5. The appraiser will not disclose the contents of this appraisal report unless required by applicable law or as specified in the Uniform Standards of Professional Appraisal Practice.
- 6. Information, estimates, and opinions furnished to the appraiser, and contained in the report, were obtained from sources considered reliable and believed to be true and correct. However, no responsibility for accuracy of such items furnished to the appraiser is assumed by the appraiser.
- 7. The appraiser assumes that there are no hidden or unapparent conditions of the property, subsoil, or structures, which would render it more or less valuable. The appraiser assumes no responsibility for such conditions, or for engineering or testing, which might be required to discover such factors. This appraisal is not an environmental assessment of the property and should not be considered as such.
- 8. The appraiser specializes in the valuation of real property and is not a home inspector, building contractor, structural engineer, or similar expert, unless otherwise noted. The appraiser did not conduct the intensive type of field observations of the kind intended to seek and discover property defects. The viewing of the property and any improvements is for purposes of developing an opinion of the defined value of the property, given the intended use of this assignment. Statements regarding condition are based on surface observations only. The appraiser claims no special expertise regarding issues including, but not limited to: foundation settlement, basement moisture problems, wood destroying (or other) insects, pest infestation, radon gas, lead based paint, mold or environmental issues. Unless otherwise indicated, mechanical systems were not activated or tested.

This appraisal report should not be used to disclose the condition of the property as it relates to the presence/absence of defects. The client is invited and encouraged to employ qualified experts to inspect and address areas of concern. If negative conditions are discovered, the opinion of value may be affected.

Unless otherwise noted, the appraiser assumes the components that constitute the subject property improvement(s) are fundamentally sound and in working order.

Any viewing of the property by the appraiser was limited to readily observable areas. Unless otherwise noted, attics and crawl space areas were not accessed. The appraiser did not move furniture, floor coverings or other items that may restrict the viewing of the property.

- 9. Appraisals involving hypothetical conditions related to completion of new construction, repairs or alteration are based on the assumption that such completion, alteration or repairs will be competently performed
- 10. Unless the intended use of this appraisal specifically includes issues of property insurance coverage, this appraisal should not be used for such purposes. Reproduction or Replacement cost figures used in the cost approach are for valuation purposes only, given the intended use of the assignment. The Definition of Value used in this assignment is unlikely to be consistent with the definition of insurable Value for property insurance coverage/use.
- 11. The ACI General Purpose Appraisal Report (GPAR\*\*) is not intended for use in transactions that require a Fannie Mae 1004/Freddie Mac 70 form, also known as the Uniform Residential Appraisal Report (URAR).

# Declaration of Mortgage Servicer Pursuant to Nevada Senate Bill 321, Section 11(6)

Borrower(s): Michael J Moore

Manolita Bisnar Moore

Mortgage Servicer: Ocwen Loan Servicing, LLC as Servicer for HSBC Bank USA, National

Association as Trustee for Sequoia Mortgage Trust 2004-12

Loan No.: 7110840936

The undersigned, as an authorized agent or employee of the mortgage servicer named above, declares that:

1.	The mortgage servicer has contacted the borrower pursuant to Nevada Senate Bill 321, Section 11(2), to "assess the borrower's financial situation and to explore options for the borrower to avoid a foreclosure sale". Thirty (30) days, or more, have passed since the initial contact was made.
2.	The mortgage servicer has exercised due diligence to contact the borrower pursuant to Nevada Senate Bill 321, Section 11(5), to "assess the borrower's financial situation and explore options for the borrower to avoid foreclosure". Thirty (30) days, or more, have passed since these due diligence efforts were satisfied.
3.	<ul> <li>□ No contact was required by the mortgage servicer because the individual(s) did not meet the definition of "borrower" pursuant to Nevada Senate Bill 321, Section 3.</li> </ul>
4.	No contact was required because the requirements of Nevada Senate Bill 321, Sections 2-16, inclusive, do not apply because the loan is not a "residential mortgage loan" because it is not primarily for personal, family or household use or is not secured by a mortgage or deed of trust on owner-occupied housing as defined in NRS 107.086 pursuant to Nevada Senate Bill 321, Section 7.

I certify that this declaration is accurate, complete and supported by competent and reliable evidence which the mortgage servicer has reviewed to substantiate the borrower's default and the right to foreclose, including the borrower's loan status and loan information.
